Charger Cards is a mandatory fundraiser program overseen by St. Louise School and the Parents' Club to raise revenue for Parents' Club-funded student enrichment programs, parent education classes, and the overall benefit of the school. School policy states that each school family is required to purchase gift cards so to generate a minimum contribution to the school of \$125 in *Charger Card* rebates per school year (July 1 through June 30). After this minimum \$125 rebate is contributed through *Charger Card* purchases, a school family will begin to earn funds that may be directed to a choice below. Note that there is also an opt-out choice below if a family does not want to purchase *Charger Cards*, necessitating payment of a fee. Please refer to *Charger Cards* policies and FAQs at <https://stlouiseschool.org/chargercards>.

PLEASE CHECK ONLY ONE (1) BOX BELOW, INDICATING YOUR PARTICIPATION PLAN IN *CHARGER CARDS* DURING YOUR TIME AS A ST. LOUISE SCHOOL FAMILY. IF YOU DECIDE TO CHANGE YOUR PARTICIPATION PLAN IN A FUTURE SCHOOL YEAR, PLEASE SUBMIT A NEW FORM.

Our family will be participating in the *Charger Cards* program. Should we purchase enough *Charger Cards* to surpass the \$125 minimum contribution to the school, we understand 50% of these additional contributions beyond the minimum will go towards additional *Charger Cards* revenue. In addition, we request that the other 50% of additional contributions beyond the minimum be:

- ☐ applied to our family's **TUITION** account for the succeeding school year.
- ☐ returned to the **CHARGER CARDS PROGRAM** to add to their revenue.
- ☐ returned to us in the form of a cash **REBATE**.
- ☐ designated as a gift to the Father Phil Tuition Assistance **ENDOWMENT FUND**.

☐ Our family does NOT wish to participate in the *Charger Cards* program. Since we are **OPTING OUT** of this fundraiser, we will annually send in a \$250 check payable to "St. Louise Charger Cards." (This opt-out fee is reduced to \$200 if the check is received by October 1). By paying this fee and opting out of the program, we realize we are still able to buy *Charger Cards* at any time during the school year, but we are not eligible for any of the above choices should our purchases surpass the minimum contribution.
