Reason for the award: **He is always helping others and participating in class.**

Elin Noh

Class name: **Year 3**

Reason for the award: **She is demonstrating an excellent attitude to her learning across the curriculum.**

Star of the Week -- Upper Primary

We had a very informative assembly this morning capably led by the pupils from Year 5. They spoke about the very relevant topic of bullying, and how to act in difficult situations. The dramatic skills of the pupils from Year 5 was a highlight of the assembly. This is a priority for our school and we take the well-being and happiness of our students very seriously. We also had our first “Star of the Week” presentations. Congratulations to Leo and Hannah from Year 6, Milana and Christopher from Year 5 and Crius from Year 4. Well done to all our students for a super effort and I look forward to our next assembly in 2 weeks time, where we will have Ms. Tessa Butler back to help Year 6 with their production.
